Personal Profile

A motivated and hardworking student currently completing GCSEs in 2026. I am eager to gain work experience and develop practical and professional skills while continuing my education. I am reliable, quick to learn, and keen to contribute positively in a working environment.

Education

GCSEs (Grades received on results day 2026)

- Mathematics
- English Language
- English Literature
- Combined Science
- Engineering
- Computer Science
- Sociology

Achieved:

- GCSE Business Studies – Grade 6

Planned A-Levels:

- Economics
- Computer Science
- Psychology

Skills

- Basic programming knowledge (HTML & Python)
- Strong willingness to learn new skills
- Good communication skills
- Time management and organisation
- Ability to work independently and as part of a team

Experience

Currently seeking extra work experience opportunity to build practical skills and gain insight into the workplace. I already have partial knowledge after receiving some experience of work from previous partial jobs.

Interests

- Technology and computing
- Learning about business and economics
- Personal development and improving skills

Availability

Available for part-time or flexible work. Open to full-time opportunities in the future after starting college in September 2026.
